Principles 'n' Mileposts

Introduction

**"No ONE of us
is a smart as
ALL of us"**

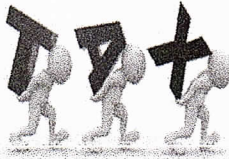

K-3 Capital Projects

Introduction

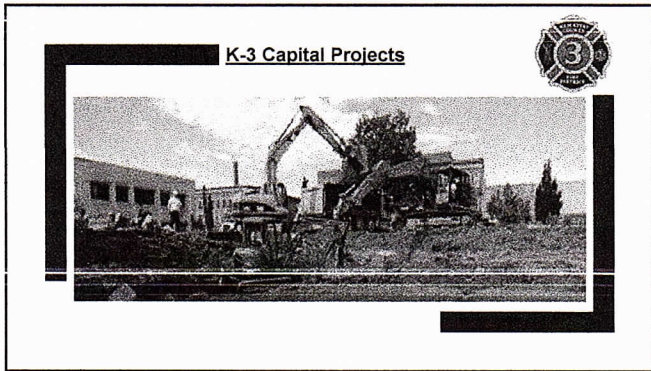

K-3 Capital Projects

**20
YEARS**

K-3 Capital Projects

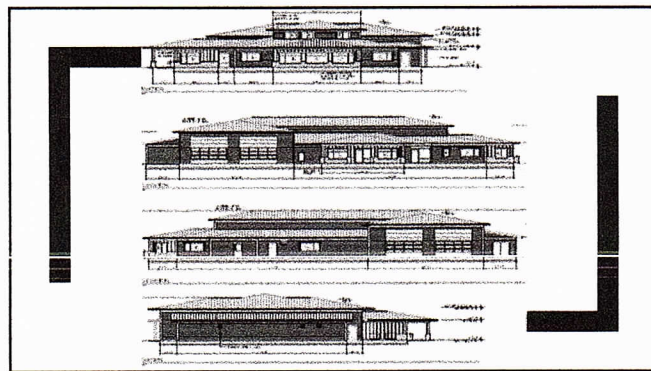

GOAL #1
 Develop overall
 turnout, response and
 readiness for the
 emergency incidents and
 a greater TROOP
 calling.

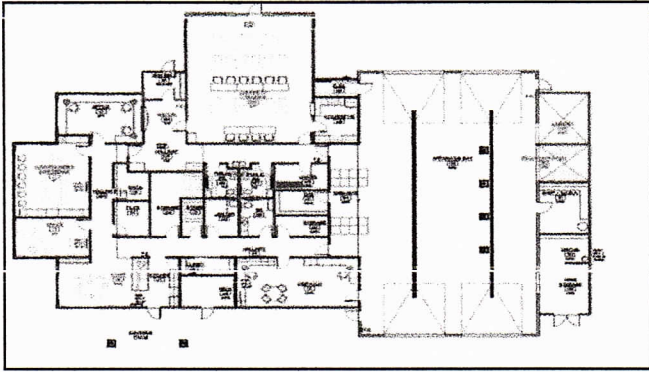

GOAL #2
 Develop and implement response goals,
 performance measures and associated
 metrics and metrics components to more
 effectively address the needs of the
 residents, community expectations
 and increased service demands.

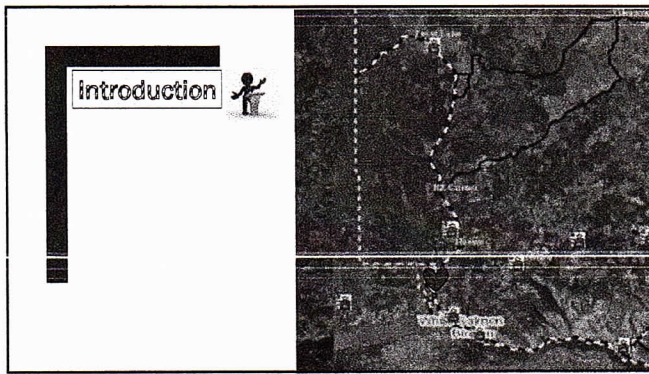

GOAL #3
 Develop facility capital projects, equipment
 upgrade and improvement; construction
 update and design; improve facility
 operational capabilities; fleet capabilities;
 EOC capabilities; communications
 capabilities; redundancy; continuity of
 operations; and safety.

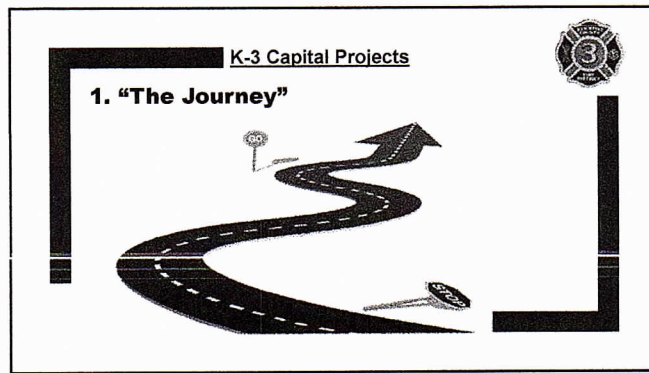

GOAL #4
 Provide for individual fire
 and emergency unit
 replacement, O&M and
 repair equipment and
 fleet.

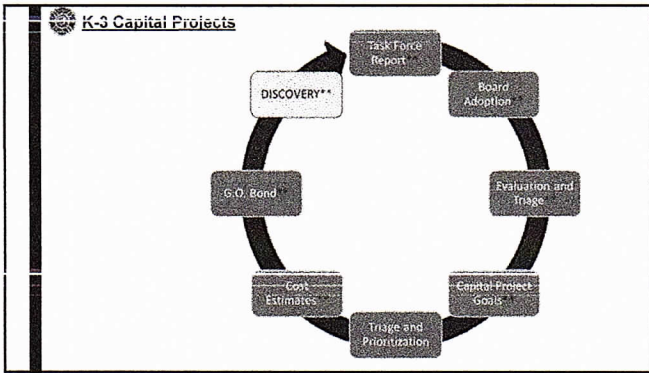

GOAL #5
 Provide for overall emergency
 response, support and the development of
 O&M, and
 maintenance and repair equipment
 facility capabilities.
